

## FRESH HANDS HAND WASH

WITH ESSENTIAL OILS

Fresh hands is our unique natural hand wash.

We have used an antimicrobial essential oil which is known to have cancer fighting properties. It is exceptionally mild to use.

NO PARABENS & SLS

Natural Origin  
Ingredients

These components allow the product to degrade quickly and safely when decomposing.

Soft on  
Hands

Formulated with ingredients that do not strip the emollient layer on the epidermis and maintains the skins natural oil layer.

Essential oils

Formulated using essential oils. From nature to you.
